Re: *In the Matter of: Notice of Intent of North Central Telephone Cooperative Corporation to File Rate Application, Case No. 2007-00162*

Dear Ms. O'Donnell:

We are in receipt of Mr. Stephen Bratcher's letter of October 5, 2007 to the Public Service Commission of the Commonwealth of Kentucky (the "Commission") and your response dated October 12, 2007. Mr. Bratcher wrote to the Commission to state his opposition to the proposed rate increase of North Central Telephone Cooperative Corporation ("North Central").

North Central hereby advises the Commission that Mr. Bratcher is not a member/customer of North Central. North Central does not provide service within the City of Scottsville. Accordingly, Mr. Bratcher will not be affected by North Central's application for an increase in basic rates.

Thank you, and if you have any questions with regard to this matter, please call me.

Very truly yours,

DINSMORE & SHOHL LLP
